

REMARKS

5 The present amendment makes editorial changes and corrects typographical
errors in the specification in order to conform the specification to the requirements
of the United States Patent practice. No new matter is added thereby. Original
claims 1-8 have been canceled in favor of new claims 9-16. However, claims 9-16
10 have been presented solely because the revisions by bracketing and underlining
which would have been necessary in claims 1-8 in order to conform those claims to
the requirements of United States Patent practice would have been too extensive, and
thus would have been too burdensome. The cancellation of claims 1-8 does not
constitute an intent on the part of the Applicant to surrender any of the subject matter
of claims 1-8.

Early consideration on the merits is respectfully requested.

Respectfully submitted,

(Reg. No. 39,056)
